Welcome to the Chiefs Age Grade Carnival

Kent Currie

Chiefs Head of Pathways

“ On behalf of the Chiefs Rugby Club, I would like to welcome representatives of the Chiefs Region Provincial Unions to Hamilton.

The Chiefs Rugby Club views Saturday 21st September as a pivotal date in our Pathway Programme. It is wonderful to give so many players an opportunity to represent their provincial colours in a carnival format.

The Chiefs have always been big advocates of provincial rugby, we believe it has been the lifeblood of the New Zealand Playing Pathway for many years. The majority of our current Gallagher Chiefs squad, that compete in the Super Rugby Pacific Competition, have fond memories about their days playing age-grade provincial rugby – experiences that set their rugby careers up.

The Chiefs firmly believe that provincial age group rugby needs to continue to play an integral part in the NZ Rugby ecosystem and that tournaments and carnivals like this one are the way of the future. They help pool resources together, plus have the added advantage of creating an atmosphere that all players and spectators will enjoy.

Many thanks to Hamilton Marist Rugby Football Club, for hosting this event. The club are always wonderful hosts and I'd like to acknowledge the wonderful relationship that we have had over many years.

I would also like to welcome the many families that will be attending today's games. Today should be viewed as a proud day for you all and we look forward to having you on the sidelines supporting the wonderful game of rugby.

Saturday 21 September

A coffee cart and food truck will be onsite to purchase food and beverages.
